

BOARDING PASS FOR "ABC OF AWR"

SURGEON DETAILS

Inviting all the surgeons in and around Kanpur performing hernia surgery.

The field of Hernia surgery is undergoing metamorphosis.

Newer techniques, instrumentations, innovations and questions surrounding them are coming faster than what we can handle.

Let's learn the techniques to manage complex and difficult abdominal wall hernias. Let us re-visit the abdominal wall anatomy with a fresh mindset.

Let us rise to the occasion and embrace the present and future of Hernia surgery.

The Live Operative workshop - on 7th September 2019 will provide us with a step wise exposure to these techniques and advancements.

And therefore we have titled the workshop as "***ABC of AWR***"
